Peachblow Hibiscus

Star Begonia

A beautiful foliage plant which is doubly attractive when in bloom. The great, star-shaped leaves are a foot or more across and are of two-toned green with reddish markings on the edges. Its lovely pink flowers are produced in huge sprays high above the foliage.

35c. each

Peachblow Hibiscus

A beautiful, large, double bloom, of an unusual shade of rich salmon-pink. An excellent house plant, or fine as center-pieces for urns.

26c. each

For other varieties, see supplementary catalog, page 10.

Fancy Leaved Caladiums

A class of beautiful, variegated foliage plants, excellent for window boxes, vases or single pot plants, succeeding equally well in a somewhat shady situation out of doors. After becoming well established, they require liberal watering, coupled with adequate drainage. The bulbs should be started into growth about the first of April and dried off in October and kept in a warm and dry place until Spring again.

25c. each, \$2.50 per doz.

New Dwarf Flowering Holly

Indian Maid Begonia

A beautiful variety with bronze foliage, always covered with striking red flowers.

Tuberos-Rooted Begonias

ANY
3 TUBEROUS-ROOTED BEGONIAS 65c.

For Single and Double Varieties
25c. each 6 for \$1.25

The Tuberos-rooted Begonia is the fashionable plant of the day, for in addition to very handsome foliage, it bears a never-ending profusion of the most ravishingly beautiful flowers the whole Summer, and then with the coming of cold weather, very obligingly takes a nap until Spring, asking no further care through the Winter than to be packed in soil away from frost. The enormous size and intense brilliancy of the flowers astonish those who have never seen any but the ordinary house Begonia. The bulbs can be started from March to June and will be in full bloom. Must be kept from direct sunshine.

Buddleia Dubonnet!

DUBONNET is a brilliantly wine-red colored variety. It is just as free-flowering as Buddleia Fortune. It possesses the same meritorious habits, namely, fine long flower spikes fully round, in bloom over its entire length, practically all at one time. Under artificial light or in bright sunlight the color comes to perfection. It is therefore eminently satisfactory as a cut flower. Dubonnet is a great improvement over Ile de France.

Well established plants from 2½ in. pots. These will flower profusely this season.

Hardy Outdoor Fuchsia

OFFERED FOR THE FIRST TIME
A NEW HARDY FUCHSIA
"Scarlet Beauty"

A gloriously beautiful "Plant Sensation" introduced this year—**Fuchsia, Scarlet Beauty** is a plant you must have. Picture a shrub growing to 3 feet high covered from late June until freezing weather with thousands of flaming scarlet blooms. When other plants are out of bloom, **Fuchsia, Scarlet Beauty** will provide the color needed in the border.

Thoroughly tested for hardiness this plant is ideal in the shrub border, in foundation plantings or as specimen plants. Glossy holly-green foliage all season long. Plants freeze to the ground each year and spring up from the eyes again in the early Spring like the Buddleia.

Its tremendous number of blooms places it in a class apart from the ordinary Fuchsias. Supply is limited, so place your order today at these low prices.
